

Inspiring PRINCE2 Agile® Training

About PRINCE2 Agile

PRINCE2 Agile is the world's most complete agile project management solution, combining the flexibility and responsiveness of agile with the governance of PRINCE2. PRINCE2 Agile provides structure, governance and controls when working with agile concepts, methods and techniques. Designed to help professionals tailor management controls when working in an agile environment, PRINCE2 Agile will help practitioners understand PRINCE2 governance requirements clearly and comprehensively as well as the interface between PRINCE2 and agile ways of working.

About Inspiring Projects

Inspiring Projects, a division of Aspire Australasia Pty Ltd, has been recognised as an Accredited Training Organisation, licensed to deliver training in PRINCE2 Agile and other Best Management Practice products. We offer training throughout the Asia Pacific region. We have had over 20 years' experience in using PRINCE2 and agile techniques in real projects, and bring this deep experience to our courses.

About our training

Our PRINCE2 Agile training is designed to assist people and organisations to quickly develop the skills base and 'know-how' needed to effectively adopt and apply PRINCE2 in an agile environment. Our trainers and training materials are regarded as among the best available in Australasia. We incorporate the latest research in effective learning into our approaches. In support of the different ways people learn, our courses include a mixture of presentations, hands-on activities, discussions and review sessions. In addition to our accredited Foundation and Practitioner courses, we offer associated executive briefings and short courses, and workshops on specific skills needed in a PRINCE2 Agile project environment.

Additional support

We can deliver any of our courses in-house or virtually, or by self-study and eLearning modes, and can customise our courses to better suit your needs. We also provide ongoing coaching and mentoring support, as well as in-depth consulting and assessment services.
