

Inspiring P30® Training

About P30

P30 is an acronym of *Portfolio Programme and Project Offices*. The P30 guidance, through principles, processes and techniques, provides a model for support structures for projects, programmes and enterprise project portfolios. Having an effective P30 model will provide an organisation with decision enabling information as well as structures for delivering change. P30 pools together best practice on support offices for projects, programs and portfolios.

About Inspiring Projects

Inspiring Projects, a division of Aspire Australasia Pty Ltd, has been recognised by APMG International as an Accredited Training Organisation, licensed to deliver training in P30 and other Best Management Practice products. We offer training throughout the Asia Pacific region. We have had over 10 years' experience in using elements of P30 in real programmes and projects, and bring this deep experience to our courses.

About our training

Our P30 training is designed to assist people and organisations to quickly develop the skills base and 'know-how' needed to effectively adopt and apply P30. Our trainers and training materials are regarded as among the best available in Australasia. We incorporate the latest research in effective learning into our approaches. In support of the different ways people learn, our courses include a mixture of presentations, hands-on activities, discussions and review sessions. After their courses, our delegates are given access to the tools we have developed to increase the success of our clients' support offices. In addition to our accredited Foundation and Practitioner courses, we offer associated executive briefings and short courses, and workshops on specific skills needed in a support office environment.

Additional support

We can deliver any of our courses in-house, and customise our courses to better suit your needs. We also provide ongoing coaching and mentoring support, as well as in-depth consulting and project start-up, review and rescue services.
