

Inspiring PRINCE2® Training

About PRINCE2

PRINCE2 is a project management method that will benefit all types and sizes of projects in any domain. Designed to facilitate effective organisational control of projects, it consists of 3 integrated elements - 7 Principles, 7 Themes, 7 Processes – with supporting advice on governance and tailoring the method to meet organisational and project needs. PRINCE2 is becoming the most widely used project management method in the world, and now includes an Agile extension.

About Inspiring Projects

Inspiring Projects, a division of Aspire Australasia Pty Ltd, has been recognised by APMG International as an Accredited Training Organisation, licensed to deliver training in PRINCE2 and other Best Management Practice products. We offer training throughout the Asia Pacific region. We have had over 10 years' experience in using PRINCE2 in real projects, and bring this deep experience to our courses. We also contributed to the current version of the PRINCE2 manual.

About our training

Our PRINCE2 training is designed to assist people and organisations to quickly develop the skills base and 'know-how' needed to effectively adopt and apply PRINCE2. Our trainers and training materials are regarded as among the best available in Australasia. We incorporate the latest research in effective learning into our approaches. In support of the different ways people learn, our courses include a mixture of presentations, hands-on activities, discussions and review sessions. After their courses, our delegates are given access to the tools we have developed to increase the success of our projects. In addition to our accredited Foundation and Practitioner courses, we offer associated executive briefings and short courses, and workshops on specific skills needed in a PRINCE2 project management environment.

Additional support

We can deliver any of our courses in-house, and customise our courses to better suit your needs. We also provide ongoing coaching and mentoring support, as well as in-depth consulting and project start-up, review and rescue services.
